Notification of name change: We're updating content to show the name change of [Private Career Colleges Act, 2005](#) to the [Ontario Career Colleges Act, 2005](#) effective January 1, 2024. [Read more about other terms related to the change of name.](#)

Career colleges in Ontario are regulated under the [Ontario Career Colleges Act, 2005](#) which is administered by the Superintendent of Career Colleges.

This Statement of Students' Rights and Responsibilities is provided for your information and convenience only. It is not a legal document. Find detailed and specific information about the measures available to protect career college students in the [Ontario Career Colleges Act, 2005](#) and the regulations made under that act.

Before you enrol

Make sure the career college is registered and that the vocational program you are enrolling in is approved by the Superintendent under the [Ontario Career Colleges Act, 2005](#). You can find out at ServiceOntario. ([Search ServiceOntario](#))

Note: If you enrol in an institution that has not been registered, or in a vocational program that has not been approved, the student protection measures available in the [Ontario Career Colleges Act, 2005](#) are not available to you.

Communicate in writing

There may be times when you need to communicate important information to your career college, for example, to give notice that you want to withdraw from a program and receive a refund of fees or if you have a complaint against the college.

When you communicate formally with your career college you should do so in writing. The document should be delivered to an official at the college by email, fax, registered mail, or by personal delivery.

Keep copies of any written communications between you and the career college.

Documents you must receive

The career college is responsible for providing you with a copy of your [contract](#), [transcript](#) and the [credential](#) earned after you graduate.

Contract

When you enrol in a vocational program with a career college, you must sign and receive a written contract. The career college must give you a copy of the signed contract.

The written contract **must** contain:

- the approved program name
- your address, telephone number and, if applicable, e-mail address
- the program's start and expected end date
- the program's language of instruction
- the program's admission requirements
- a schedule of hours of instruction
- the location of instruction, and if instruction is to be provided online, the website address
- the location of any additional training location and/or practicum and the website address if additional training and/or a practicum is provided online
- the fees payable by you set out in Canadian dollars, including an itemized list of fees for any products or services, including books, equipment, administration fees (such as processing applications, or conducting admissions tests)
- a payment schedule indicating the time and amount of each payment

The contract must also include a place for you to acknowledge that you have received a copy of this Statement of Students' Rights and Responsibilities issued by the Superintendent of Career Colleges and the college's:

- fee refund policy
- student complaint procedure
- sexual violence policy
- student expulsion policy

and, if required by a superintendent's policy directive:

- a program disclaimer

Career college administrators: Print a copy of this Statement of Students' Rights and Responsibilities and attach it to the student's contract you keep on file. The student must also acknowledge receiving this information.

Consent section

The written contract must also have a consent section for the collection and use of your private information and the following statements, **in bold**, that:

- the contract is subject to the *Ontario Career Colleges Act, 2005* and the regulations made under the act
- the career college does not guarantee employment for any student who successfully completes a vocational program offered by the college
- you are entitled to a copy of the signed contract immediately after it is signed

Note:

If you notice that your contract does not have the elements listed above, notify the career college as soon as possible or contact the ministry: pcc@ontario.ca

Transcript

If you have not received a copy of your transcript within 90 days of ending your studies, you should contact the career college to request a copy. It is recommended that you also make and keep a digital record of the transcript when you complete or leave your program for your own records. You also have the right to access your transcript for 25 years after you complete or leave the career college. If the career college closes, you will be able to access your transcript from an [approved third-party transcript issuer](#). We suggest that you ask your college for the name of the third-party issuer when you complete or leave your program.

Credential

A career college that issues credentials must issue you any applicable credential (diploma or certificate) within 60 days of successfully completing a program. The college does not have to issue your credential until you have paid your fees in full although you are always entitled to a copy of your transcript.

Concerns and complaints

Student complaint procedure

Every career college must have a student complaint procedure to resolve complaints raised by a student. Under the *Ontario Career Colleges Act, 2005* and its regulations, the Superintendent of Career Colleges can consider a student's **complaint only after**:

- the student has followed the college's student complaint procedure
- has complained directly to the college
- is not satisfied with the outcome

If you request the Superintendent of Career Colleges to review your concern or complaint submit it using the ministry's [Program Approval and Registration Information System](#) (PARIS.) At your first visit, you will be asked to [create a student account](#).

Your complaint or concern can be tracked easily and addressed directly through your account. You may also request a review of you complaint by email: pcc@ontario.ca

Once you submit your complaint and any supporting documents, the superintendent or a delegate will review the documents and advise you on next steps. You can [log-in to your PARIS account](#) at any time.

Sexual violence policy and accommodation

All career colleges must have a stand-alone policy to address sexual violence involving students. In addition, all career colleges must, without fee, appropriately accommodate the needs of students affected by sexual violence.

The sexual violence policy must be included in every enrolment contract between a student and a career college. It must also be published on each career college's website or, where the career college does not have a website, posted in a conspicuous location at each campus of the career college.

Sale of students' goods and services

If you make goods or provide services as part of the requirements to complete your program, a career college can:

- sell these goods
- provide these services to the public
- arrange for the delivery of these services to the public

The college cannot profit from these sales. It can only charge an amount that allows the college to recover its costs.

Fee collection

A career college is only allowed to:

- charge or collect fees for a program in Canadian dollars
- charge or collect compulsory fees that are equal to or less than the fees approved by the Superintendent of Career Colleges and published on [ServiceOntario](#)
- charge or collect optional fees for a program if they are the approved by the Superintendent

Before a contract is signed, a career college can charge a fee up to \$500 to process your application and do assessments or admissions tests. These fees must be included in your contract at the time you sign it.

Itemized list of fees

Career colleges must provide to the Superintendent of Career Colleges an itemized list of all fees charged to students, expressed in Canadian dollars. This includes:

- tuition fees
- cost of books
- any administrative charges
- any other compulsory or optional fees

The Superintendent publishes the fees (except optional fees) on [ServiceOntario](#).

Unapproved or inaccurate fees

If a career college charges or collects any compulsory fee that is not published on [ServiceOntario](#) or that is higher than what is published, you are entitled to a full refund of the unpublished fee or the difference in amount between what is published and what was collected. The same applies if the college charges or collects any optional fee that is not approved by the Superintendent of Career Colleges.

Note: A career college cannot require you to obtain a product or service from a particular person or vendor as a condition of admission into the program. There may be required products or equipment for the training (for example, a laptop), but you are free to purchase those products or equipment anywhere you wish.

Receipts

A career college is required to issue you a receipt every time you pay a fee. You should keep all receipts for your own records.

Refunds

A career college is required to issue [a fee refund](#) within 30 days in many cases outlined below. You should check if the career college specifies the timeframe of their refunds in the refund policy attached to your contract. There is also a [cooling-off period of two days after signing the contract](#).

Only the compulsory program fees published on [ServiceOntario](#) or optional program fees approved by the Superintendent of Career Colleges are covered by the refund policy. An optional program fee might be the cost of a field trip or conference that is related to your studies but not required content of the program.

To get a refund on books or equipment you received from the college under a contract you must return them:

- in the same state they were in when supplied to you
- within 10 days of withdrawing

All refunds must be in Canadian dollars.

The college **cannot** deduct money from a refund you are entitled to for a vocational program if you owe money:

- to the career college for other services
- for other non-vocational programs offered by the college

The same refund policy applies when you withdraw from a program or are expelled from a career college, as long as you are expelled in accordance with the college's expulsion policy or sexual violence policy.

Cooling-off period

You can cancel a contract for the provision of a vocational program within two days of signing it if you provide written notice to the career college. It is important to keep a copy of your written notice. You are entitled to a full refund of fees paid for the program, including any application fee, from the college.

Types of refunds

Full refund

In the following circumstances, you can cancel a contract and make a written request for a full refund. Once you cancel a contract and the refund is applied, you cannot continue your studies and are not entitled to receive a transcript.

- the career college collects any fees for the program before the college is registered or before the program is approved under the *Ontario Career Colleges Act, 2005*
- you are expelled from the career college in a manner or for reasons outside of the college's expulsion policy or sexual violence policy
- the career college collects more than 20% of the total fees for the program up to \$500 before signing a contract with you
- a total of more than 10% of the program is taught by unqualified instructors
- the contract does not include all the mandatory terms required ([refer to the Contract section](#))
- the career college, while still operating, discontinues the program before you can complete the program

In addition, you also may seek a full refund if a career college or its representative makes untrue statements for the purposes of convincing you to enrol in the program and the statements constitute a fundamental breach of the contract. The categories of inappropriate statements include:

- a false or misleading statement
- a statement that guarantees admission to or successful completion of the program or employment after completing the program
- a statement that guarantees the right to enter Canada or receive a visa or work permit

It is best to make a request for a full refund as soon as you find out about the issue or it may be more difficult to support your claim.

Partial refund before a program begins

You are entitled to a refund of fees paid for a program minus 20% of the program fees up to \$500 if you:

- withdraw from the program more than two days after signing a contract and **before** the program begins. **or**
- do not meet the program's admission requirements when the program starts

Partial refund after a program begins

If you withdraw from a program after the program begins, you may be entitled to a refund of fees paid for the program, depending on how much of the program a career college has delivered.

In most cases, the career college can keep 20% of the program fees up to \$500, plus the fees for the portion of the program delivered.

However, if the career college cancels the contract for the program because you do not attend the first 14 days, the career college can only keep 20% of the program fees up to \$500.

International students

If you are attending or planning to attend a career college under a student visa, some special rules apply.

Fee collection

You should make sure that you are familiar with the rules mentioned in the [Fee Collection section of this page](#).

A career college is allowed to charge international student fees in relation to a vocational program but these fees cannot be higher than what is published on [ServiceOntario](#).

Fee refund

You can cancel a contract with a career college or withdraw from a program for any reason. The same refund policy for domestic students also applies to you.

International students unable to get a student visa

A rule applies to an international student unable to obtain a student visa to enter Canada. As long as you deliver a written notice of this fact to a career college before half of the portion of a program has passed, you are entitled to a refund of fees paid for the program, except that the college is allowed to retain 20% of the total fees for the program or \$500, whichever is less.

Insurance

Every career college is required to have insurance in case you have an accident in class or while on an offsite practicum. If you are injured while attending a career college, you should immediately inform the relevant official at the college.

Midway evaluation

If you enrol in a program that is 12 months or shorter or is delivered over an undefined period of time (for example, a commercial flight program), a career college is required to provide you with the result of at least one evaluation of your progress **before** you complete half of the total length of the program.

If your program is longer than 12 months, for each 12 month period, the college is required to provide the result of at least one evaluation **before** you complete half of each period.

Qualified instructors

You are entitled to be taught by an instructor who has the required experience (academic, practical and/or teaching) outlined in the *Ontario Career Colleges Act, 2005*. Some programs must also meet industry standards for instructors. Career colleges must follow the act and program standard when they hire teaching staff. On a temporary basis, a career college is allowed to use a substitute instructor who does not meet all these requirements. However, the college is not allowed to use a substitute instructor to teach a total of **more than 10%** of a program.

Closure

Certain rules apply when a career college closes. If your college closes before you finish your program, efforts will be made to give you an opportunity to complete your program at another career college or institution. [The Training Completion Assurance Fund \(TCAF\)](#) exists to help eligible students in this situation. Instead of participating in training completion, or if no training completion is available, you may receive a refund of fees paid for the portion of the program that has not been delivered.

YEDI Grading, Participation and Attendance Policy

Section 1 – Grading Scale

Letter Grade	A	B	C	D	F
Percentage	80 to 100%	70 to 79%	60 to 69%	50 to 59%	0-49%

A Diploma will be awarded upon completion of all courses outlined in the curriculum with a **minimum of 50% passing course grade**.

Section 2 – Grading Components

Each course grading consists of participation, a milestone assignment and an exam (if applicable).

- Participation represents 50% of each course grade.
- Milestone assignments represent 30-50% of each course grade.
- Exams represent 20% of a course grade.

Section 3 – Milestone Assignments and Exams

Milestones 30-50%

Due dates, assignments, and submission details are posted on Canvas under the Module tab. Grades will be available on Canvas within 2-3 weeks after the submission date.

If an assignment is submitted after the due date, the following penalty schedule applies:

- 4% assignment grade deduction for each day late, up to 5 calendar days after the due date (maximum 20% deduction).
- Student will receive a mark of zero on the assignment if there is no submission after 5 calendar days.
- Students who fail the course must retake it in the next cycle to meet the graduation requirement.

Exams – 20%

Exams are 3 hours long, written and held virtually. Alternative exam formats may also be offered, subject to the discretion of the Director of Academic Affairs.

All exam dates and details will be posted on Canvas under the Module tab. The task will become available on Canvas at the appointed hour. Grades will be available on Canvas within 2-3 weeks after the exam date. If a student misses the exam due to legitimate reasons with supporting documentation, the re-examination date will be arranged.

Section 4 – Participation Elements

Participation represents fifty percent (50%) of each course grade. **Partial marks are not available.**

To receive full participation marks, students must complete all the following **4 elements** for **EVERY** session:

1. **Attend sessions (on time).** There are several session formats which include lectures, seminars, reroutable and one-on-one sessions. Attendance and punctuality are essential for all sessions (see Section 5).
2. **Engage in class.** Students must actively participate in classroom sessions (ex. answer questions and contribute to group discussions). For students joining online, cameras must be kept turned on during the entire session. A student with a turned off camera is assumed to be away and not participating (see Section 5).

If the student does not participate in discussion, while being addressed by instructors, this will be considered nonengagement in class. Same applies to students who did not complete assignment homework.

3. **Complete the online participation component through the Canvas platform.** Online participation requires students to
 - a. Answer the corresponding discussion questions (by the due date);
 - b. **AND** make a thoughtful comment on another student's discussion question answer (by the due date).

Students must answer the discussion question and provide a comment on Canvas before the next session in that course, regardless of the session format or the scheduled date. If the discussion question is asked after the last session in the course, students have 1 week to provide an answer and leave a comment.

4. **Read all Required Readings and complete any Independent Study Assignments** (if applicable) before the start of the session for which it was assigned. Check Canvas platform for detailed instructions.

If 1 out of 4 elements is missing, the student does not receive a participation grade for that session. In other words, the participation grade for that session is automatically zero (0). For example, a course has 5 sessions. Participation is worth 50%, meaning that each of the five sessions participation is worth 10%. If the discussion question was answered but no comment was provided, the student will lose the 10% of their final grade, per the example

Section 5 – Attendance, Punctuality and Absences

Attendance is monitored and recorded every course session. Students must notify the **Student Services Team**, at studentservices@yedi.ca, and their **Moderator** of any changes in attendance.

The following parameters apply to both online and in-person participants:

- If a student **misses 10-30 minutes** of a session – whether they are late, leaving early, have video cameras turned off, do not return on time after breaks or due to other reasons – **they will be marked LATE**.
- If a student is **late three (3) times**, this will be **counted as ONE ABSENCE**
- If a student **misses more than 30 minutes** of a session, they will be marked **ABSENT**.
- Online students with turned off cameras are assumed to be away and not participating. A student with their **camera turned off for more than 30 minutes** will be marked **ABSENT**.

Students are allowed one (1) unexcused absence per course, which will necessitate a make-up assignment. Any additional absences will lead to a loss in participation marks for the respective session. An *unexcused absence* is defined as an absence attributed to a student when they were not physically or virtually present at school during any of the attendance checks, for a reason that does not qualify as an absence due to extenuating circumstances.

Section 6 – Extenuating Circumstances

In general terms, the Extenuating Circumstances are exceptional, unforeseeable, short-term circumstances which affect the student's ability to study or take assessments. The procedure should be reserved for circumstances with a genuine, significant, and demonstrable negative impact. There are some guiding principles as to what the College considers to be extenuating circumstances:

1. They have to be out of the student's control; student could not have prevented them.

Example: If a student decides to take on part-time work and take on extra shifts and then misses a submission deadline, they will not have grounds for a claim. Day-to-day social commitments and ensuring they leave a reasonable contingency time in any travel arrangements made are all within the student's control and cannot be considered.

2. They must have had a significant impact; they must have had a clearly negative impact on the student's ability to study or to undertake an assessment.

Extenuating circumstances should be exceptional. In the main, the student is expected to manage their health and minor illnesses or disruptions alongside the studies. Claims should be reserved for serious situations: sudden or significant illness, bereavement, being a victim of a crime, or another acute trauma. Students have several weeks or even months to complete a written assignment and will be expected to plan appropriately and work around short-term issues that may arise.

3. The timing of the circumstances must be relevant to the claimed impact.

When the College considers claims, it will always look to see that the timing of events appears to match any claim of impact. Example: If a student's house flooded in March and they had to move suddenly, the student might be able to claim an extension to a deadline at the end of March, but they are unlikely to be able to use those same circumstances for examinations in May.

The College reserves the right to request supporting documentation when assessing if the circumstances fall within the definition of "extenuating circumstances". Each request is reviewed on a case-by-case basis.

Section 7 – EdPuzzle Make-up Assignments

In case of a legitimate absence (extenuating circumstances), students will be allowed to complete a make-up assignment, called EdPuzzle, to recoup their participation marks.

Students are required to notify the administrative staff or program moderator before the session to be approved for the EdPuzzle Assignment. **If the student fails to notify about the planned absence, they will not get the opportunity to make up for the missed session and will lose the participation grade for that class.**

The number of EdPuzzle assignments is limited and contingent on the evaluation and the discretion of the Program Manager.

If approved for makeup assignment, the EdPuzzle will be assigned within 24 business hours after the end of the session. Students will have until the next session in that course to watch the EdPuzzle video and complete the discussion question and comment. If the EdPuzzle was assigned for the last session in the course, students will have 1 week to watch the video, answer the discussion question and leave a comment.

Section 8 – Academic Integrity

Academic integrity is a cornerstone of the development and acquisition of knowledge, and a commitment to six fundamental values: honesty, trust, fairness, respect, responsibility, and courage. Academic integrity includes a commitment not to engage in or tolerate acts of falsification, misrepresentation, or deception – acts which violate the fundamental ethical principles of the Institute community and compromise the worth of work completed by others. The terms “academic integrity” and “academic honesty” are used interchangeably in this policy.

Students are expected to maintain a high degree of academic integrity at all times. Each student is responsible for their own conduct during their time at the institution.

Students are responsible for ensuring they are familiar with the generally accepted standards and requirements of academic honesty. Ignorance of these standards will not excuse a student from consequences, including penalties, for academic dishonesty.

Academic integrity is expected and applies to all types of submitted work (for example: assignments, exams, discussion questions and more). Any form of deception in the completion of assigned work is considered academic dishonesty, and a violation of YEDI Academic Integrity Policy.

Examples of *Forms of Academic Dishonesty and Misconduct* (Schedule A, as per the YEDI Academic Integrity Policy) may include, but are not limited to: cheating, unauthorized use of or sharing of proprietary materials (during examination, assignments and/or course work), falsification of data to gain an unfair advantage, stealing another person's work, plagiarism, failure to cite sources, unauthorized use of Artificial Intelligence (AI) softwares (more details in the full Academic Integrity Policy), inappropriate use of technology, and use of proprietary course materials for the purpose of teaching or tutoring.

Note: The list of examples is not exhaustive and any conduct that a student knows, or ought reasonably to know, is misconduct is subject to this policy; and it is a violation to help others or to attempt to help others engage in any of the conduct described above

For additional information on Academic Integrity, please refer to the YEDI Academic Integrity Policy.

Section 9 – Repeating Courses

In order to successfully graduate from the program students who fail to meet the minimum 50% passing grade in a course will be required to repeat it in the next cycle and **pay a tuition for the course that is pro-rated in accordance with the number of credits for the course**. Students that retake a full semester will pay the regular tuition for that semester.

To apply for credit towards YEDI courses based on their prior learning, students should refer to “YEDI Prior Learning Assessment and Recognition (PLAR) Policy”.

Pro-Rated Tuition for Courses

The total cost of the program is divided by the cumulative number of credits. Courses have variable number of credits. The pro-rated rate for a course is calculated by multiply the cost per credit by the number of credits in that specific course.

Section 10 – Review of Academic Standing with Failed Courses

Students who do not pass one or more courses in a given semester will undergo a review of their academic standing and will be informed of this by email. These students are encouraged to reach out to the Program Manager for assistance, and a meeting with Academic Advisors will be arranged to assess their individual academic profile. A warning will be issued to the student during this process.

Should a student who has previously received a warning continue to fail one or more courses without showing improvement in their academic performance, their academic file will be subjected to further review, potentially leading to dismissal from the program. For additional information, please refer to the YEDI Student Dismissal Policy.

Section 11 – Academic Appeals

1. Introduction: Upon receiving the final grade, students who wish to contest an academic matter may file an academic appeal with the Program Manager. This process is designed to ensure a fair and transparent resolution to disputes related to final course grades.

2. Filing an Academic Appeal: In the event of disagreement, students must submit a written appeal to the Program Manager within five (5) business days after the final course grades have been finalized. It is important to note that only final grades are subject to appeal.

3. Initial Review: Upon receiving the appeal, the Program Manager will schedule a meeting with the student and the lead instructor to discuss the academic standing and appeal. This meeting provides an opportunity for the student to seek clarification and ask questions.

4. Resolution Attempts: During the meeting, the student and instructor are encouraged to collaboratively resolve the matter. If an agreement is not reached, the student may escalate the appeal to the Head of the Academic Department.

5. Escalation to the Head of the Academic Department: Upon escalation, the Head of the Academic Department will conduct a thorough review, which may include consultations with both the instructor and student. Subsequent to this review, the Head of the Academic Department will make a determination, providing the final resolution.

6. Final Resolution: The decision of the Head of the Academic Department is considered final. This process ensures a comprehensive and impartial evaluation of academic appeals, promoting fairness and maintaining the integrity of the educational experience at our career college.

We believe in fostering an environment of academic excellence and fairness. This policy is in place to address concerns promptly and fairly, ensuring the best possible educational experience for our students.

YEDI Academic Integrity Policy

Purpose

York Entrepreneurship Development Institute (YEDI) views academic integrity as a cornerstone of the development and acquisition of knowledge, and a commitment to six fundamental values: honesty, trust, fairness, respect, responsibility, and courage. Academic integrity includes a commitment not to engage in or tolerate acts of falsification, misrepresentation, or deception – acts which violate the fundamental ethical principles of the YEDI community and compromise the worth of work completed by others.

To protect YEDI's reputation and its credentials, YEDI has a zero-tolerance position with respect to any academic integrity offence.

The purpose of this policy is to define: YEDI's expectations regarding academic integrity, students' responsibilities as members of the academic community; inappropriate student behaviour, whether deliberate or inadvertent, in relation to academic and scholarly activities; principles for student discipline in academic matters, and the possible sanctions should a violation occur.

The terms “academic integrity” and “academic honesty” are used interchangeably in this policy.

Scope

This policy covers the conduct of YEDI students and staff involved in any kind of related academic and scholarly activities.

Notification of Standards of Academic Honesty

- (a) Students are responsible for ensuring they are familiar with the generally accepted standards and requirements of academic honesty. Ignorance of these standards will not excuse a student from consequences, including penalties, for academic dishonesty.
- (b) Instructors are responsible to inform their students at the beginning of each term if there are additional specific criteria for academic honesty that pertain to a class or course (e.g. the format for acknowledging the thoughts and writings of authors acceptable to the underlying discipline, and the acceptable level of group work, use of an editor or tutoring services, and/or online resources).
- (c) A draft paper, proposal, thesis, or other assignment may be subject to a penalty for academic dishonesty, providing the instructor or supervisor informed the student(s) before the work was submitted that drafts are subject to academic honesty requirements.

Student Responsibilities

Students are expected to maintain a high degree of academic integrity at all times. Each student is responsible for their own conduct during their time at the institution.

Students are responsible for ensuring they are familiar with the generally accepted standards and requirements of academic honesty. Ignorance of these standards will not excuse a student from consequences, including penalties, for academic dishonesty.

Academic integrity is expected and applies to all types of submitted work (for example: assignments, exams, discussion questions and more). Any form of deception in the completion of assigned work is considered academic dishonesty, and a violation of YEDI Academic Integrity Policy.

Any action that contravenes the standard of academic integrity is prohibited, including any act of dishonesty, falsification, misrepresentation, or deception in one's academic work.

All forms of academic dishonesty that occur within or as part of a course are prohibited. See below for examples of academic dishonesty.

It is a violation to help others or attempt to help others engage in any forms of academic dishonesty or misconduct.

Forms of Academic Dishonesty and Misconduct

Examples of *Forms of Academic Dishonesty and Misconduct* may include, but are not limited to:

1. Cheating

- Cheating is any act of academic dishonesty.
- Cheating may include:
 - The purposeful, willful, and concealed use of unauthorized sources for a test, exam, or other forms of academic work.
 - Unauthorized use of or sharing of proprietary materials (during examination, assignments and/or course work). For example: copying, or allowing others to copy.
 - The act of copying for the purpose of providing advantage to yourself or another student will not be tolerated. (Copying is defined as any act of duplicating or reproducing information from another student by any means to obtain advantage for you. The methods used could be visual, oral, notes, printed matter, or electronic means.)
 - Gaining or attempting to gain access to an examination or test, or a part thereof, without permission from the instructor
 - Falsification of data to gain an unfair advantage
 - Unauthorized communication with another student in a test or exam
 - Submitting another person's work as your own or providing work for another person to submit as his or her own
 - Deliberately preventing or attempting to prevent the fair access by other students to all types of learning resources
 - Collaboration is the act of two or more students working jointly on any assignment when the Instructor has not permitted this act.

2. Plagiarism

- Plagiarism is the dishonest act of representing someone else's work as your own (in other words stealing another person's work, using another person's essential style and manner of expression). This includes, but is not limited to, homework, written papers, exams, lab assignments, published work, and more. This includes copyrighted materials.
- Plagiarism may include failure to cite sources.
- To avoid plagiarism, students should give credit explicitly and clearly, as well as provide appropriate reference to ideas, thoughts, and writings of another, whether the source is oral, from a written source such as books or journal articles, or from the Internet. By not placing direct quotes in quotation marks and footnoting the source, and by not footnoting indirect reference to another's ideas, a student has disguised the fact that the ideas and thoughts, or even exact words, come from another source first.
- When in doubt, students should consult with the Program Manager, and/or Instructor for the course. Students may use APA or MLA referencing styles and can contact Student Services (studentservices@yedi.ca) to borrow the hardcopies of the reference guides.

3. Unauthorized use of Artificial Intelligence (AI) softwares.

- Unless explicitly stated by the instructor, students should assume that using AI to complete assessments is prohibited.
- If students use AI to complete assessments, instructors may consider it 1) misrepresentation of personal identity or performance and/or 2) plagiarism and/or 3) cheating.
- IF your instructor gives you permission to use AI, the expectation is that you cite the output just as you would cite any other source.
- When in doubt, students should consult with the Program Manager, and/or Instructor for the course. Students may use APA or MLA referencing styles and can contact Student Services (studentservices@yedi.ca) to borrow the hardcopies of the reference guides.

4. Inappropriate use of technology

5. Use of proprietary program and/or course materials for the purpose of teaching or tutoring.

6. Intentionally helping or attempting to help another student to commit any act of academic dishonesty may result in immediate expulsion.

The following behaviours, not related to a specific course, are prohibited. Falsification, Misrepresentation, Fraud, or Misuse, the dominant purpose of which is academic advantage, including:

1. forging, misusing, or altering any Institute document or record;
2. engaging in misrepresentation that may create an incorrect perception of the student's academic position or credentials;
3. obtaining any textbooks, study aids, equipment, materials, or services by fraudulent means;
4. submitting a manufactured, forged, altered, or converted document, including a forged or altered medical certificate, death certificate, or travel document to a Institute official, which the student knows, or ought reasonably to have known, to be altered;
5. impersonating an instructor, student, or other member of the Institute community;
6. engaging in any action which disadvantages the access of students to course enrolment or course materials; or
7. unauthorized sharing, selling, or use of proprietary instructional, examination, textbook, assignment, or other course materials, e.g. using proprietary course materials for the purpose of teaching or tutoring.

It is a violation to help others or to attempt to help others engage in any of the conduct described above.

Note: The list of examples is not exhaustive and any conduct that a student knows, or ought reasonably to know, is misconduct is subject to this policy; and it is a violation to help others or to attempt to help others engage in any of the conduct described above.

YEDI enforces a zero-tolerance cheating and plagiarism policy. Any student who cheats or plagiarizes material for academic grading will be penalized.

YEDI's Commitment During Review of Policy Violations

YEDI recognizes that it is a serious matter for students to be involved in an academic misconduct investigation and is therefore committed to handling these matters in a respectful, timely, and thoughtful manner.

YEDI has a commitment to treat all students fairly and equitably as it upholds its reputation.

- Students must be treated fairly before being penalized for academic dishonesty or academic misconduct.
- Students are entitled to information about the alleged wrongdoing and to provide a response.
- The decision-maker must be impartial, and will make reasonable efforts to acquire all the information needed to make a fair decision and will do so in an unbiased manner.

Principles For Student Discipline

- Complaints of student academic dishonesty or academic misconduct may be resolved under the policy without penalty. Designated YEDI officials such as the Campus Director may impose penalties in certain circumstances.
- In determining whether academic misconduct has occurred, it is not necessary to show that a student has achieved an improper academic advantage or benefit. Some acts of plagiarism or collusion, or other acts of academic misconduct, may not actually confer an academic advantage or benefit.
- YEDI provides an impartial forum for a complete examination of student allegations of academic dishonesty or academic misconduct. Students will be provided with an opportunity to respond in a timely manner to allegations of academic dishonesty or academic misconduct.
- When YEDI imposes a penalty on a student for academic dishonesty or academic misconduct, the student may appeal to the Committee on Disciplinary Appeals.
- The reviewing bodies will adhere to principles of procedural fairness and natural justice. The appropriate standard for a decision in this process is proof on the balance of probabilities.
- A support person may accompany a student to any meeting concerning academic disciplinary matters.
- In deciding upon the appropriate penalty to be imposed for an act of academic dishonesty or academic misconduct, consideration must be given to the following factors:
 - the extent of the academic dishonesty or academic misconduct;
 - whether the academic dishonesty or academic misconduct was deliberate;
 - the importance of the work in question as a component of the course or program;
 - whether the act in question is an isolated incident or part of repeated acts of academic dishonesty, academic misconduct, and/or non- academic misconduct; and
 - any other mitigating or aggravating circumstances.

Disciplinary Sanctions

Violations that threaten the academic integrity may be subject to disciplinary action as described in the Disciplinary Process.

Sanctions may include but are not limited to:

- Warning – A notice in writing to the student that the student is violating or has violated YEDI's regulations.
- If a student is found to have committed one or more of the acts of academic dishonesty, the student may, at the Director's discretion, receive a "zero" percent grade for the assignment or exam; and or may be receive a "fail" grade for the whole course.
- Academic Probation – A written reprimand for violation of a specific policy or an action with conditions set for continued enrolment at YEDI. Probation is set for a designated period and includes the probability of more severe disciplinary sanctions if the student is found to be in violation of any YEDI regulation during the period of probation. Probation must be document.
- Suspension – Separation of the student from YEDI for a designated period of time, after which the student is eligible to return. Conditions for re-admission may be specified.
- Expulsion – Termination of the enrolment and expulsion from the campus or from any campus within YEDI.

One or more of the following sanctions may be imposed on any student found to have violated the policy. This list is not meant to be progressive or exhaustive, and the College reserves the right to impose the sanction it deems appropriate.

Other than expulsion, disciplinary sanctions will not form part of the student's permanent academic file. Documentation of disciplinary sanctions will, however, form part of the student's confidential administrative file.

Appeals

When YEDI imposes a penalty on a student for academic dishonesty or academic misconduct, the student may appeal in writing in accordance with the YEDI Student Conflict Resolution Procedure.

Roles, Responsibilities, & Procedures For Academic Dishonesty

The President has oversight of this policy.

The Campus Director is responsible for implementing and monitoring the operational aspects and procedures for this policy.

The Academic Co-ordinator, Academic Advisors, Head of Academic Department, and Instructors are jointly responsible for administering the procedures under this policy.

Responsibilities of the Instructor

- Upon becoming aware that a student may have engaged in academic dishonesty in their course, an instructor must notify the student, outlining the nature of the concern, within two (2) weeks. The student must be given the opportunity to discuss the matter with the instructor in a timely manner. Instructors should consult with the Campus Director for advice on individual cases and implementation of these procedures.
- If an instructor is not available to handle the case, the Head of Academic Department, or his or her delegate, will take over the role of the instructor.
- If the Head of Academic Department is the course instructor, an Associate Head or other appropriate administrator within the department must take over the role of the Head.

- If an instructor finds, on a balance of probabilities, that a student has engaged in academic dishonesty, the instructor may, after consulting with the departmental Academic Advisor or Chair, impose one or more of the following penalties:
 - give the student a warning;
 - require the student to redo the work, or to do supplementary work, which may be related to academic integrity;
 - assign a low grade for the work;
 - assign a grade of “F” for the work.
- The instructor must submit an academic incident report regarding the nature of the dishonesty or misconduct and the decision in a timely manner. The instructor must advise the student that the Institute will retain the report and that, in the event of any further reports of academic dishonesty, the report may be used to determine a penalty for the subsequent academic dishonesty. Submitting a report using the online system will automatically notify the student, and the Head of Academic Department. Paper copies of the report form are available through the Campus Director.

Responsibilities of the Head of Academic Department

- If the Head of the Academic Department receives information that a student has been involved in more than one case of academic dishonesty or believes that the academic dishonesty deserves a penalty more severe than that imposed by the instructor, or the instructor believes that a penalty is warranted beyond that provided for above, the Head may impose a different penalty. Heads should consult with the Campus Director for advice on individual cases and implementation of these procedures.
- The Head must give the student an opportunity to discuss the matter. After reviewing the facts of the case and any previous case(s), if the Head finds, on a balance of probabilities, that a student has engaged in academic dishonesty, the Head may impose one or more of the following penalties:
 - issue a formal reprimand to the student;
 - assign a grade less severe than “FD” (failed – academic dishonesty) for the course, including a grade of “F”;
 - assign a grade of “FD” (failed – academic dishonesty) for the course.
- The Head must submit an academic incident report regarding the nature of the dishonesty or misconduct and the decision in a timely manner. Paper copies of the report form are available through the Campus Director. A copy of the report must be sent to the student regarding the decision, with a copy to the instructor and the Registrar. The Head must advise the student that the Institute will retain the report and that, in the event of any further reports of academic dishonesty, the report may be used to determine a penalty for the subsequent academic dishonesty.
- The Head may delegate any of the Head’s responsibilities under this section to an Associate Head or other appropriate administrator within the department, excluding the imposition of penalties. The delegate would provide a recommendation, with rationale, to the Head on appropriate penalties.

Dismissal Procedure for Academic and Non-Academic Reasons Procedure

Dismissal for Academic Reasons

1. Students will normally be dismissed if they do not make adequate academic progress according to the timelines and policies set by their chosen program and/ or the Head of Academic Department. When a student is dismissed, the academic record will indicate "Dismissed".
A student in any program who is dismissed will not be eligible to apply for readmission to the Institute for at least one year. After one year, students who have been dismissed from a program may be admitted to the same program provided they meet all admission requirements in effect for that program at the time they apply. Such applications must be accompanied by a statement from the Head of Academic Department who recommended the dismissal outlining the reasons for which the student was dismissed. Compelling evidence must be presented that a more successful outcome is likely if the student is to be readmitted. All cases for readmission must be reviewed and approved by the Director of Student Services and Head of Academic Department. Students dismissed from a program more than once are not eligible to be considered for admission to any program in the institution.
2. A student must be informed in writing/email by the Head of Academic Department of unsatisfactory progress and given an opportunity to discuss the matter with the Head of Academic Department before any recommendation for dismissal is made to the President. A student in any program who is dismissed will not be eligible to apply for readmission to YEDI for at least one (1) year. After one (1) year, students who have been dismissed from a program may be admitted to the same program provided they meet all admission requirements in effect for that program at the time they apply. Such applications must be accompanied by a statement from the Head of Academic Department who recommended the dismissal outlining the reasons for which the student was dismissed. Compelling evidence must be presented that a more successful outcome is likely if the student is to be readmitted. All cases for readmission must be reviewed and approved by the President. Students dismissed from a program more than once are not eligible to be considered for admission to any program in YEDI. The academic record will indicate "Dismissed".

Dismissed – Failure to Attend

1. A student who fails to register and/or becomes absent without leave from their program for two or more consecutive weeks may be dismissed from the program. The academic record will indicate "Dismissed – did not register". The institute will document that an attempt was made to contact Failure to register for two consecutive weeks may result in the student being dismissed. The program coordinator must first make reasonable attempts to contact the student by e-mail, telephone and/or regular mail. If there is no response after repeated attempts, the Head of Academic Department may recommend that the student be dismissed. The Head of Academic Department must submit copies of the written attempts to contact the student and a memo confirming the non-registration and non-attendance of the student to the President. The academic record will indicate "Dismissed – Failure to Attend". A student who does not complete formal dismissal/withdrawal procedures will be liable for all assessed fees until such procedures are completed.

Dismissed – for Non-academic Reasons

1. YEDI reserves the right to require a student to dismiss from the program if the Head of Academic Department, in consultation with the Director of Student Services and President, considers the student to be unsuited to proceed with the study or practice of the chosen course. Request to dismiss for non-academic reasons would not prevent the student from immediately applying for entry into the course again.
2. The President reserves the right to require a student to be dismissed from a program of study if the Head of Academic Department, in consultation with the Director of Student Services, considers the student to be unsuited to proceed with the course. The academic record will indicate "Dismissed".

YEDI Student Conflict Resolution Procedure

Introduction and purpose

This procedure implements the Conflict Resolution Process for Student Academic Complaints and outlines the student conflict resolution process for the York Entrepreneurship Development Institute. The goal of this procedure is to provide a simple and fair process that allows for both informal and formal resolution of conflicts.

Scope and Relief Available

This procedure applies to "student academic complaints," which are complaints brought by students regarding the Institute's provision of education and academic services affecting their role as students.

Student academic complaints:

- must be based on a claimed violation of an Institute rule, policy, or established practice
- if alleging discrimination in the Institute-student relationship, may be filed under this procedure

This procedure does not limit the Institute's right to change rules, policies, or practices.

Complaints Not Covered

This procedure does not apply to student complaints regarding

- Institute employment
- grades
- applicant complaints regarding Institute admission decisions

Relief available under this procedure.

Resolution of complaints under this procedure may include student reinstatement or other corrective action for the benefit of the student, including refunds, but may not award monetary damages, or take disciplinary action against any employee of the Institute.

Process for Resolving Student Academic Complaints

1. Informal Resolution

The first step of any resolution should be at the lowest unit level, between the parties involved or the parties and an appropriate third party (e.g., other faculty, department chair, administrator). If no informal resolution is reached at the lowest unit level, a student may seek informal resolution at the academic department level with the other party and higher level administrators. If the issue is not resolved informally, the student may seek formal resolution as outlined below.

2. Formal Resolution of Student Academic Complaints

If no informal resolution has been reached, administrative units will provide a review process appropriate to the issue raised by the student academic complaint, as described below.

Within Academic Department

1. **The Department Appoints an Academic Complaint Officer.** Each Academic Department unit must appoint an Academic Complaint Officer who will be a faculty member who holds no other administrative appointment. The Academic Complaint Officer may be appointed for a set term or when a complaint arises. The Academic Complaint Officer may not have a direct interest in the dispute.
2. **The Student Files a Complaint.** A student must file a written student academic complaint to the Head of Academic Department's Office. Oral submissions by the student will also be accepted. Students bringing forth a complaint may have a person present with the student at all stages of the proceedings. Accompanying persons may also make an oral submission on the student's behalf. The student may use a complaint form, or submit a written complaint letter which must identify the student; the respondent; the individuals involved; the incident; the rule, policy, or established practice alleged to have been violated; and a brief statement of the remedy the student is seeking.
3. **The Academic Complaint Officer Receives and Attempts to Informally Resolve the Complaint.** The best Academic Complaint Officer will review the complaint. The Academic Complaint Officer will meet as needed with the student and the respondent or other individuals involved to try again to reach a satisfactory, mutually acceptable informal resolution.
4. **The Academic Complaint Officer Determines Whether the Complaint Falls Within the Scope of this Procedure.** If the Academic Complaint Officer is unable to informally resolve the student academic complaint, the student is entitled to a hearing, assuming the complaint is covered as defined by this procedure. If the Academic Complaint Officer determines that a complaint or any portion of it is not a "student academic complaint" subject to this procedure, the Officer will notify the student of that decision in writing. The student may appeal that decision to the senior academic administrator, following paragraph 10 below.
5. **The Respondent Provides a Written Response.** If the Officer concludes that the complaint or any portion of it falls within the scope of this procedure, the Officer will require the respondent(s) to provide a written response to the complaint. The response is due within 15 calendar days after notice that a response is required, unless there are compelling reasons for delay.
6. **Appeal.** If any party is not satisfied with a decision, the party may appeal to the appropriate senior academic administrator. The purpose of the appeal is to determine whether the parties have been afforded due process. The student must file a written appeal to the senior academic administrator within 10 calendar days of receipt of the last decision. The student must explain the basis for the appeal. The senior academic administrator has the discretion to decide how to process the appeal. The appeal may be handled by written submissions or oral presentations to the senior academic administrator or delegate, or the senior academic administrator may set up an appellate hearing panel to hear the appeal and provide a recommendation before making a decision. In any case, the senior academic administrator will provide a written decision to the parties. The senior academic administrator will issue a decision within 30 days of the filing of the appeal, unless there are compelling reasons for delay. If a student is not satisfied with the resolution of his or her complaint in accordance with the procedure set out above, the student may refer the matter to the Superintendent and shall include in his or her application to the Superintendent a copy of the record referred to in clause 8.
7. **Complaint Record.** YEDI will maintain a record of every complaint at the Administrative Office for a period of three (3) years from the decision date. The record shall include a copy of the complaint, of any submission filed with respect to the complaint and of the decision; and the student who makes the complaint shall be provided with a copy of the record.

All meetings regarding the complaint will be minuted and all submissions regarding the complaint will be shared with the complainant.

If not resolved at this level, the student may submit a student complaint electronically to the Superintendent of Private Career Colleges through the PARIS System

(<https://www.pcc.tcu.gov.on.ca/PARISExtWeb/public/register.xhtml>).

Any sexual act or act targeting a person’s sexuality, gender identity or gender expression, whether the act is physical or psychological in nature, that is committed, threatened or attempted against a person without the person’s consent, including sexual assault, sexual harassment, stalking, indecent exposure, voyeurism and sexual exploitation.

Survivor. Some who have experienced sexual violence may choose to identify as a survivor. Individuals might be more familiar with the term “victim.” We use the term survivor throughout this Policy where relevant because some who have experienced sexual assault believe they have overcome the violent experience and do not wish to identify with the victimization. It is the prerogative of the person who has experienced these circumstances to determine how they wish to identify.

Vulnerable Person. When an individual is in a position of dependency on others, because of their age, a disability or other circumstances, whether temporary or permanent, or is otherwise at a greater risk than the general population of being harmed by a person in a position of trust or authority towards them.

Respondent. A person(s) against whom a complaint is being made.

Policy

1. General

YEDI is committed to being a safe and positive space where members of the YEDI community feel able to work, learn, and express themselves in an environment free from sexual violence. We endeavour to reduce sexual violence in the YEDI community and create a safe space for survivors and those who are affected by sexual violence.

All reported incidents of sexual violence will be investigated and in a manner that ensures due process. It is the intention of YEDI that individuals feel comfortable about making a report in good faith about sexual violence that they have experienced or witnessed.

YEDI recognizes that sexual violence can occur between individuals regardless of sexual orientation, gender, gender identity, or relationship status as articulated in the Ontario Human Rights Code. We also recognize that individuals who have experienced sexual violence may experience emotional, academic, financial, or other challenges.

YEDI is committed to:

- Participating with internal and external stakeholders in the creation of a campus atmosphere in which sexual violence is not tolerated
- Treating individuals who disclose sexual violence with compassion and recognizing them as a decision maker regarding their interests
- Assisting those who have been affected by sexual violence by providing choices, including detailed information and support, which may include a provision of and/or referral to counselling and medical care, information about legal options, and appropriate academic, work, and other accommodations
- Ensuring that those who disclose that they have been sexually assaulted have their experiences validated, and that their right to dignity and respect is protected throughout the process of disclosure, investigation, and institutional response
- Engaging in appropriate procedures for investigation and adjudication of a complaint that ensures fairness and due process
- Ensuring coordination and communication among the various departments that are most likely to be involved in the response to sexual violence on campus
- Engaging in public education and prevention activities, which include appropriate training of the YEDI community about responding to the disclosure of sexual violence, and
- Providing information

YEDI will include a copy of the Sexual Misconduct and Violence Policy in the Student & Employee Handbooks and will include a statement in every student enrollment contract made between YEDI and our students indicating where the student can find the policy for review; and YEDI will provide a copy of the Policy to all managers, instructors, employees, and contractors, and will train them about the policy and its processes of reporting, investigating, and responding to complaints of sexual harassment and/or sexual violence involving our students.

The Sexual Misconduct and Violence Policy will be published on our website and the internal student portal.

2. Reporting and responding to sexual violence

Any member of the YEDI community who has been subject to sexual violence is encouraged to immediately report such an incident. Any member of the YEDI community who has witnessed, or who has knowledge of, an incident of sexual violence perpetrated against another member of the YEDI community is encouraged to immediately report such an incident. Persons in a position of authority at YEDI, including but not limited to, all those who supervise others, shall take immediate action to respond to or to prevent sexual violence from occurring. Where YEDI has become aware of an incident of sexual violence, or a threat of sexual violence, YEDI will take all reasonable steps to ensure the safety of the YEDI community. Where an incident of sexual violence or a threat of sexual violence poses a risk to the safety of a member(s) of the YEDI community, precautions may include the provision or disclosure of relevant information to an employee(s), and/or to others at risk.

3. Complaint process

A complaint of sexual assault or any other kind of sexual violence can be filed under this Policy by any member of the YEDI community. All members of the YEDI community are expected to report incidents of sexual misconduct they witness or have knowledge of, or they have reason to believe has occurred or may occur, to the **Campus Director**. Members who have been affected by sexual misconduct are encouraged to come forward to report the incident as soon as they are able to do so.

A person may choose to disclose sexual misconduct without making a formal report. In these circumstances, a disclosure/complaint may not result in a report being made and, therefore, may not initiate a formal process. In such circumstances, appropriate support will be provided on the basis of availability. An individual who discloses an allegation of sexual misconduct should be made aware that there are a range of reporting options available to them and that they may choose any of the options or any combination of the options, including:

- a) Disclosure Only – a victim/survivor may wish to tell someone about the incident in order to seek support but may not want to make a report to police or campus authorities.
- b) Police – a victim/survivor may wish to make a formal report of a sexual assault or other criminal incident of sexual misconduct to police. Victims/ survivors should be offered the services of a campus based sexual assault response worker (where they exist) or a community-based support worker to accompany them and to provide emotional support

For the purposes of this document, a report is a formal notification of an incident of sexual misconduct to someone at the post-secondary institution accompanied by a request for action. The actual process/procedures may vary in relation to the nature of the disclosure/complaint or report (for example, whether or not there has also been a report to law enforcement).

To make a formal complaint, the student may file a written] submission. Students bringing forth a complaint may have a person present with the student at all stages of the proceedings. Accompanying persons may also make a submission on the student's behalf. All oral submissions made to the **Campus Director** will be documented, in order, to be fall under an official report. The complaint must detail the incident(s), including date, time, location, and individuals involved.

Complaints should be filed within 90 calendar days of the occurrence of the incident or from the date upon which the student should reasonably have known about the matter(s) they are complaining about.

YEDI will seek to achieve procedural fairness in dealing with all complaints. As such, no sanction and/or disciplinary action will be taken against a person or group without their knowledge where there is an alleged breach of this Policy. Respondents will be given reasonable notice, with full detail of the allegations, and provided with an opportunity to answer to the allegations made against them. A complainant has the right to withdraw a complaint at any stage of the process. However, YEDI may continue to act on the issue identified in the complaint in order to comply with its obligation under this Policy and/or its legal obligations. YEDI may also continue to act when there is a threat to the safety of the YEDI community.

4. Investigations and responding to disclosures/ complaints and reports of sexual misconduct

Where a complaint of sexual misconduct has been reported to YEDI, then YEDI will exercise care to protect and respect the rights and confidentiality and privacy of both the complainant and the respondent. Persons in a position of authority, including persons directing the activities of others, shall take immediate action to respond to or to prevent sexual assault/sexual misconduct from occurring. YEDI understands that individuals who have experienced or been affected by sexual misconduct may wish to control whether and how their experience will be dealt with by the police and/or YEDI. In most circumstances, the person will retain this control. However, in certain circumstances, YEDI may be required to initiate an internal investigation and/or inform the police of the need for a criminal investigation, even without the survivor's consent, if YEDI believes that the safety of other members of YEDI community is at risk.

All reported incidents of sexual misconduct will be investigated in a manner that ensures due process as outlined in the procedures below.

1. Under this Sexual Misconduct Policy, any student of YEDI may file a report of an incident or a complaint to the Campus Director in writing. The other officials, offices or departments that will be involved in the investigation are the Student Services, Compliance Manager, and YEDI management as necessary.
2. Upon receipt of a report of an incident or a complaint of alleged sexual misconduct being made, the Campus Director will respond promptly and:
 - a) determine whether an investigation should proceed and if the Complainant wishes to participate in an investigation;
 - b) The Complainant will not be asked irrelevant questions during the investigation process by the college's investigators, including irrelevant questions relating to the student's sexual expression or past sexual history.
 - c) determine who should conduct the investigation having regard to the seriousness of the allegation and the parties involved;
 - d) determine whether the incident should be referred immediately to the police; and
 - e) determine what interim measures ought to be put in place pending the investigation process such as:
 - No-contact directives to prevent the Responded and the Complainant from interacting or being in proximity to each other on campus.
 - Academic Accommodations that temporarily adjust academic schedules, assignments, or exams to minimize disruption to the Complainant's studies.
 - Sharing various resources for counseling services, support groups, or other mental health resources to assist the Complainant during the investigation process.
3. Once an investigation is initiated, the following will occur:
 - a) The Complainant and the Respondent will be advised that they may ask another person to be present throughout the investigation;
 - b) The Complainant will be interviewed to ensure a complete understanding of the allegation and gathering additional information that may not have been included in the written complaint such as the date and time of the incident, the persons involved, the names of any person who witnessed the incident and a complete description of what occurred;
 - c) The Respondent will be informed of the complaint and interviewed, providing details of the allegations and giving the Respondent an opportunity to respond to those allegations and to provide any witnesses the Respondent feels are essential to the investigation;
 - d) Interviews will be conducted with any person involved or who has, or may have, knowledge of the incident and any identified witnesses;
 - e) Interviews may be recorded via audio, video, or as a written report, for the purpose of documentation for the investigation. Reasonable updates will be provided to the Complainant and the Respondent about the status of the investigation.

4. Following the investigation, the Campus Director will:

- a) Review all of the evidence collected during the investigation;
- b) Determine whether sexual misconduct occurred; and if so
- c) Determine what disciplinary action, if any, should be taken.

5. Disciplinary Measures

If the complaint is sustained following an investigation and it is determined by YEDI that the Respondent did engage in sexual violence, immediate disciplinary or corrective action will be taken. YEDI will decide on the appropriate disciplinary actions. This may include:

- a) disciplinary action up to and including termination of employment of instructors or staff (and the instructor or staff shall not subsequently be re-employed); or
- b) expulsion of a student; and /or
- c) the placement of certain restrictions on the Respondent's ability to access certain premises or facilities; and/or
- d) any other actions that may be appropriate in the circumstances., including extra training as required

If an employee and/or staff of YEDI commits an act of sexual misconduct toward a student enrolled at a career college, YEDI may discharge or discipline the employee for that act, and,

- (a) the discharge or disciplinary measure is deemed to be for just cause for all purposes;
- (b) the employee is not entitled to notice of termination or termination pay or any other compensation or restitution as a result of the discharge or disciplinary measure; and
- (c) despite subsection 48 (17) of the *Labour Relations Act, 1995*, and despite any provision of a collective agreement or employment contract specifying a penalty for the infraction, no arbitrator, arbitration board or other adjudicator shall substitute any other penalty for the discharge or disciplinary measure imposed by YEDI.

If YEDI employee commits an act of sexual misconduct toward a student enrolled at the career college and YEDI discharges the employee for that act or the employee resigns from their employment, YEDI shall not subsequently re-employ the employee. If YEDI determines that it has re-employed an individual contrary to this policy, YEDI shall discharge the employee, per discharge points (a) to (c) mentioned above.

An agreement between YEDI and any person, shall not contain any term that, directly or indirectly, prohibits YEDI or any person related to YEDI from disclosing that a complaint has been made that a YEDI employee committed an act of sexual misconduct toward a student, and any such term that is included in an agreement is void. YEDI may enter into an agreement that contains a term described above if the student requests that YEDI do so, provided that,

- (a) the student has had a reasonable opportunity to receive independent legal advice;
- (b) there have been no undue attempts to influence the student with respect to the request;
- (c) the agreement includes an opportunity for the student to decide to waive their own confidentiality in the future and the process for doing so; and
- (d) the agreement is of a set and limited duration.

6. Appeal

Should the Complainant or the Respondent not agree with the decision resulting from the investigation, he or she may appeal the decision to the Campus Director within 10 business days by submitting a letter addressed to Campus Director advising of the person's intent to appeal the decision. An external reviewer may be engaged if necessary. The appeal must clearly outline the grounds for appeal and provide any supporting evidence or documentation. Appeals may be considered based on procedural irregularities, new evidence that was not reasonably available during the initial investigation, or claims of bias or conflict of interest. The appeal should focus on demonstrating how the original decision was inconsistent with the policies and procedures outlined in YEDI's Sexual Misconduct and Violence Policy. Following the review, the Campus Director will issue a decision based on the evidence presented (including consideration of an external reviewer, if applicable), and the merits of the appeal. The decision will be final and will be communicated in writing to the relevant parties.

7. Protection from reprisals, retaliation or threats

It is a violation of this Sexual Violence and Misconduct Policy to retaliate or threaten to retaliate against a complainant who has brought forward a complaint of sexual violence, provided information related to a complaint, or otherwise been involved in the complaint investigation process.

YEDI will take reasonable steps to protect persons from reprisals, retaliation, and threats. This may entail, for example, advising individuals in writing of their duty to refrain from committing a reprisal and sanctioning individuals for a breach of this duty. YEDI may also address the potential for reprisals by providing an accommodation appropriate under the circumstances.

YEDI students that, in good faith, report an incident of, or make a complaint about, sexual violence, will not be subject to discipline or sanctions for violations of the career college's policies relating to drug or alcohol use at the time the alleged sexual violence occurred.

8. Unsubstantiated or vexatious complaints / Making false statements

If a person, in good faith, discloses or files a sexual violence complaint that is not supported by evidence gathered during an investigation, that complaint will be dismissed.

Disclosures or complaints that are found, following investigation, to be frivolous, vexatious or bad faith complaints, that is, made to purposely annoy, embarrass or harm the Respondent, may result in sanctions and/or discipline against the complainant.

It is a violation of this Sexual Misconduct and Violence Policy for anyone to knowingly make a false complaint of sexual violence or to provide false information about a complaint. Individuals who violate this Sexual Misconduct and Violence Policy are subject to disciplinary and / or corrective action up to and including termination of employment of instructors or staff or expulsion of a student.

9. Confidentiality

Confidentiality is particularly important to those who have disclosed sexual violence. The confidentiality of all persons involved in a report of sexual violence must be strictly observed and YEDI will do its best to respect the confidentiality of all persons, including the complainant, respondent, and witnesses, by restricting routine access to information to individuals with a need for such access, as well as providing education and training to those who are regularly involved in the administration of reports and complaints.

Where YEDI becomes aware of an allegation of sexual violence by a member of the YEDI community against another member of the YEDI community, YEDI may also have an obligation to take steps to ensure that the matter is dealt with in order to comply with YEDI's legal obligation and/or its policies to investigate such allegations. In such cases, certain YEDI management will be informed about the reported incident on a 'need to know' and confidential basis, but not necessarily of the identities of the persons involved.

YEDI will ensure that the documentation is kept in a separate file from that of the Complainant/ student or the Respondent. YEDI recognizes the right of the Complainant not to report an incident of or make a complaint about sexual misconduct or not request an investigation and not to participate in any investigation that may occur.

In certain circumstances, YEDI may be required by law or its internal policies to initiate an internal investigation and/or inform police without the Complainant's consent and confidentiality cannot be assured in the following circumstances: An individual is at imminent risk of self-harm, An individual is at imminent risk of harming another, and/or There are reasonable grounds to believe that others in the YEDI or wider community may be at risk of harm.

In such circumstances, information would only be shared with necessary services to prevent harm, and the name of the survivor would not be released to the public.

10. Accommodations and Supports

In all cases, YEDI will appropriately accommodate the needs of its students who are affected by sexual violence. Students who have been affected by sexual misconduct and/or sexual violence, as well as members of the YEDI community to whom a student has disclosed an incident of sexual violence, are encouraged to access information and support from the Campus Director and/or Student Services. YEDI will assist individuals who have experienced sexual misconduct, and/or sexual violence in obtaining counselling and medical care and provide them with information about related supports and services available in the community as set out in **Resources** section of this Policy. Students that they are not required to report an incident of, or make a complaint about, sexual violence under the process in order to obtain supports and services. To obtain such supports and services, students may contact the Student Services Department by emailing at studentservices@yedi.ca.

11. Review

YEDI shall ensure that student input is considered in the development of its Sexual Misconduct and Violence Policy and every time it is reviewed or amended. YEDI shall review its Sexual Misconduct and Violence Policy every 3 years after it is implemented and amend it where appropriate. Last amendment was done June 2024.

12. Collection of Student Data

YEDI shall collect and be prepared to provide upon request by the Superintendent of Ontario Career Colleges such data and information as required according to Subsections 32. 3 (8), (9) and (10) of Schedule 5 of the Ontario Career Colleges Act, 2005 as amended. The data collected may include:

YEDI Learning Platforms Security Policy

Purpose

The purpose of this policy is to ensure that all databases and learning platforms used by YEDI are reinforced with appropriate security features to protect the personal information and coursework stored within the platform.

Scope

This policy applies to all learning platforms or databases used by YEDI for student relationship management or program delivery:

1. If personal information is collected from users of learning platforms used for student relationship management or program delivery, a notice of collection must be provided to the users (for example, students, instructors, administrators, etc.) regarding the collection, use, retention and disclosure of their personal information. Any existing collection notices must be updated to include reference to online learning platforms and any data kept within.
2. YEDI must regularly monitor information storage services to ensure the least amount of access is maintained (i.e., to remove old/non-active users, re-evaluate permissions needed, etc.). Any necessary information linked to the user should be backed-up and stored under an administrator access level to meet obligations for record retention (i.e. attendance records).
3. Any learning platforms or databases used for student relationship management or program delivery must have encryption capabilities for e-mail and stored documents if those features are available.
4. YEDI must tailor user access according to the specific functions and authority of the user. Access levels should be reviewed regularly to ensure that users only have access to the data they need to perform their job duties.
5. Learning platforms or databases must be reinforced with regular updates and patches to ensure any new security features are applied to the technology in use. YEDI must ensure that updates and patches are implemented in a timely manner to maintain the security and integrity of the learning platform.

By implementing this policy, YEDI can ensure the security of personal information and coursework stored within learning platforms, protect the privacy of students, instructors, and administrators, and maintain the trust of its stakeholders.

YEDI Security Breach Policy

Purpose

This policy outlines the procedures for investigating and responding to security breaches of all databases and platforms used for student relationship management or program delivery in order to prevent future breaches and maintain the confidentiality of student and staff data.

This policy applies to all staff and administrators of YEDI who have access to any database or platform used for student relationship management or program delivery:

1. Confidentiality agreements: All staff and administrators with access to databases or platforms used for student relationship management or program delivery sign a confidentiality agreement acknowledging their responsibility to maintain the confidentiality of all student and staff data.
2. Reporting security breaches: Any staff or administrator who discovers a security breach must report it immediately to the designated YEDI authority and the IT department.
3. Investigation of security breaches: Once a security breach has been reported, the designated YEDI authority and the IT department must immediately investigate the breach to determine its scope, impact, and cause.
4. Notification of affected individuals: If a security breach impacts the confidentiality of student or staff data, the affected individuals will be notified as soon as possible. Notification must include information about the scope and nature of the breach, steps taken to mitigate its impact, and the actions individuals can take to protect their personal information.
5. Preventing future breaches: Following any security breach, the designated YEDI authority and the IT department must implement measures to prevent future breaches. This may include but not limited to updating security protocols, implementing additional security measures, or providing additional training to staff and administrators.
6. Review and update: This policy will be reviewed and updated on a regular basis to ensure that it remains effective and up-to-date with the latest security best practices.

By implementing this policy, YEDI can ensure the security of student and staff data, prevent security breaches, and maintain the trust of its stakeholders.

YEDI Student Authentication & Credentials Privacy Policy

Purpose

This policy outlines the procedures to be followed by YEDI students to ensure that their student management system and learning platform credentials are secure and that their identity is authenticated during admissions and evaluations. The policy is intended to ensure that the privacy and security of student information is maintained and that students do not permit unauthorized access to their accounts.

Scope

This policy applies to all YEDI students who have access to the student management system and learning platform:

1. Students are responsible for keeping their student management system and learning platform credentials secure. This includes keeping their username and password confidential and not sharing it with anyone else.
2. Students have an obligation not to permit someone else to take part in their lessons or evaluations. Sharing access to student accounts with others is strictly prohibited.
3. Students are required to confirm their identity during the admissions and evaluations process. This can be done by providing a government-issued ID, such as a passport or driver's license.
4. Students are encouraged to use strong passwords that are not easily guessed or duplicated across multiple accounts. Students should also change their passwords periodically to maintain account security.
5. Students should immediately report any suspicious activity or unauthorized access to their account to the appropriate school authorities.
6. Students should log out of their student management system and learning platform accounts after each use and not save passwords on public computers.
7. Students should be aware of phishing scams and other attempts to obtain their login credentials. Students should not respond to emails or messages that request their account information.

Any violation of this policy may result in disciplinary action, up to and including suspension or expulsion. By following this policy, students can help maintain the security and privacy of their student information and ensure that their identity is authenticated during admissions and evaluations. By using YEDI's learning platforms and databases used for student relationship management or program delivery, you consent to following instructions and procedures outlined in this policy. If you have any questions about YEDI Student Credentials Privacy Policy, please contact YEDI Student Services at studentservices@yedi.ca.
